Dan Opalski was clear that in-house facilitation was his preference. Helen's message diverges from that inclination. I think an in-house approach seems more cost-effective, especially timing-wise.

John, I recall you provided an ADR contact that you know. I'll check back in my email archives for that name.

Subject: Pend Oreille TMDL - Facilitator

Hello John and Eric,

On our call last week with Washington State Ecology the state requested that the next Pend Oreille meeting, which will include the Kalispel Tribe, have a facilitator. Our region has disinvested in its facilitation program because of budget constraints, so our resources are limited. Are there sources of funding that HQ could point us to which could be used for an outside facilitator for this meeting?
